

## COMP Cams® Offers Valve Train Education

**Memphis, TN** – Engine builders can now receive training from the absolute leader in valve train technology, as COMP Cams® will be offering a course each month through October.

Valve Train Fundamentals is tailored for first-time and novice engine builders. Curriculum will cover performance valve train basics, including how key components work and the dos and don'ts of product selection and installation. Demonstrations and a Q&A session are planned, with attendee takeaways including a certificate of completion, training manual and goodie bags. No prior valve train knowledge or familiarity with COMP Cams® products is required.

Course dates are Feb. 16, March 16, April 20, May 18, June 15, July 20, Aug. 17, Sept. 21 and Oct. 19. Each will be held 9 a.m. to 5 p.m. at the CPG Training Academy in Memphis and is limited to 12 participants, with a deli lunch provided. Participants will receive a \$150 product certificate good toward any COMP Cams® valve train purchase within 12 months of course date.

To register, contact Tammy Holland at (901) 375-3451 or email [cpgtraining@comppformance.com](mailto:cpgtraining@comppformance.com).
